

Press Release

«DROMEAS products insurance»

With great pleasure we want to inform you about the collaboration of our company DROMEAS SA, with a well-respected insurance company.

This collaboration is the greatest proof that our company DROMEAS, even in these difficult times, thinks about the customer and tries to provide them with the best quality guarantee.

Our company believes that its products conform to all the European standards and that is why we decided to provide an extra insurance to the products of company DROMEAS.

That is how the collaboration of the company DROMEAS with the insurance company Interamerican, came about. Based on this innovative idea, the customers that buy even one chair, will have an annual insurance of replacement of the product.

Everyone in the family of DROMEAS believe that this initiative will garner the appropriate response from the market, as the insurance to replace a product is a breakthrough idea even for European standards.

With this annual insurance, the customer of DROMEAS SA is covered from cases of theft, fire and natural phenomenon apart from earthquake.

The replacing insurance covers all the office furniture products of DROMEAS SA and is valid for one year from the delivery of the product. There is no possibility of a refund and is valid for Athens, Thessaloniki and Serres.

In case the customer wishes to extend the insurance in length or to cover extra insurance packages, the customer must contact the insurance company.

DROMEAS SA tries to provide the best possible package to all its customers and thanks them for their support and their continuing preferring of our products.
