«DROMEAS attends Orgatec 2010»

Dromeas will take part in the biggest international exhibition for office furniture, Orgatec 2010 in Cologne Germany, from the 26 to the 30th of October. This meeting of the top manufacturers, designers and businessmen, helps in forming the status quo of the office furniture market.

Through this exhibition, Dromeas will present for the first time new and innovative products, as well as the already accomplished Slim office line, which is the one used by the European Commission and all its agencies since the summer of 2009.
