

Serres, 29/05/09

PRESS RELEASE

«DROMEAS S.A expands to Middle East»

On Friday, May 29, 2009, 12 Financial and Commercial attachés from the Arabic Embassies, accredited to Greece, visited the facilities of the company “PAPAPANAGIOTOU S.A – DROMEAS”. The business mission was initiated by the Prefectural Administration of Serres in collaboration with the Arab-Hellenic Chamber of Commerce and Development in order to reinforce the economic relations between the two countries, and especially with the prefecture of Serres.

The Financial and Commercial attachés had the opportunity, during their visit, to meet the supreme Greek industrial unit of production for office furniture, to be informed for the fully vertical production procedures, the latest technical equipment, as well as the innovative and qualitative series of DROMEAS ‘ products.

Respectively, the senior managers were informed by the Financial and Commercial attachés for the current economic situation, the limitations and opportunities for investments, the market opening – up, and the general business climate in the United Emirates. The ultimate goal was to be approached possibilities for cooperation between these countries.

The chairman of the company, Mr. Athanassios Papapanagiotou mentioned that “the next step that DROMEAS will pursue, after the successful enter in the European market, is to enter in the Middle East market.” DROMEAS S.A has already completed with great success projects in the Middle East as:

- Saudi Arabia – Transportation Center, Communication Center, Military Hospital.
- United Arabic Emirates – Municipality of Sharjah
- Egypt – International Airport Sharm El Sheikh & Luxor

- Armenia – Communication Organization and other private firms.
