PRESS RELEASE

«5th International Industrial Design Competition for Office Furniture and Home»

5th year of success for the International Industrial Design Competition for Office Furniture and Home, held by DROMEAS SA.

DROMEAS SA, one of the pioneers in the design of office furniture, procures the 5th International Industrial Design Competition for Office Furniture and Home.

The competition is held every two years and the main goal of its organization is the underline of the industrial design's significance, as well as the reward of the designers for their imagination and novalty of their ideas.

DROMEAS SA calls every one who wishes to participate in the competition, to submit all the necessary documents until 31/01/2010. The competition is under the aegis of the Ministry of Development.

For further information concerning the terms of the Design Competition, please visit the web site www.dromeas.gr or call at 801 11 96000.
