«DROMEAS SA: Official Supplier of MERCEDES' Components»

With great success the Certification procedure of DROMEAS SA by Mercedes (Group Daimler) has been completed, concerning die casting aluminum components and therefore, DROMEAS SA is acknowledged as its Official Supplier, after 4 years of cooperation. The Certification procedure was based on the procedures and process of Mercedes.

The size of the success is proven by the fact that, not only a greek company succeeds to be Official Supplier of the group, but also, by the fact that the company is categorized as Category A. The total performance of the company, during its control, exceeded the 94%, causing even the surprise of the supervisors themselves, as, according to their experience, seldom such levels of performance are succeeded among automobile industry. This performance offers the ultimate certification that DROMEAS SA employs employers of high qualities with supreme technical equipment and procedures during the production circle.
