PRESS RELEASE

For the third consecutive time of a five-year period, DROMEAS was proclaimed the exclusive Supplier of the European Commission, after an international Competition "Supply of office furniture designed in a sustainable and socially responsible way".

The amount of supplies is estimated at 22-25 million euros.

Companies from the European Union and America participated in the Competition.

The technical specifications required strict and detailed adherence to the European Union EN standards and standards for raw materials, ergonomics, durability, safety and environmental protection.

The signing of the contract will take place after the expiration of the ten-day deadline for objections that may arise.

On behalf of the Board of Directors
